Barry Cloyd ~ MUSICIAN

Noted historian, storyteller, and educator **Brian 'Fox' Ellis** brings **Peoria Steamboat Captain & Civil War Hero Captain Henry Detweiller to life** in this special program to raise awareness about the historic riverfront land and marina donated by the Detweiller family "for use and access by the public since 1948", now "at risk" of two-thirds of property being sold and/or gifted to a private organization and removed from public use. Fox has been educating and entertaining the public on historic figures for over 40 years.

Musical performer **Barry Cloyd** entertains and educates audiences with music and songs about **life on the river**. The noted Illinois River riverloreatan combines educational and history based story with music to create an "edutainment" style performance. Barry performed river songs on The Spirit of Peoria for over 20 years until its' departure.

Learn about the historical significance of this riverfront land, the Detweiller's, and what you can do to **HELP SAVE the Detweiller Playground & Marina for continued public use**.

Program Open to the Public — Hosted by Detweiller Park Protectors concerned about the proposed sale and/or gifting of Detweiller Playground & Marina park land. DONATIONS appreciated for printing, legal fees, etc. for Detweiller Park Protectors. Questions — Contact: Tim Herold, herold1961@gmail.com
